

**Office of the Chief Executive Officer**

August 25, 2010

Dear Principals:

On Tuesday, September 21<sup>st</sup>, the City of Chicago, in association with the United Nations International Day of Peace, the Chicago Build the Peace Committee (CBTPC) and the Chicago Public Schools are celebrating the 32<sup>nd</sup> anniversary of Peace Day in Chicago.

As this year's Honorary Co-Chair, I encourage your school to commemorate Peace Day by participating in one of CBTPC's sponsored peace-building activities scheduled on September 21<sup>st</sup> (see attached) or by creating your own activities at your school. You can also visit CBTPC's website at [www.buildthepeace.org](http://www.buildthepeace.org) for complete details and a list of scheduled activities.

Please document how your school is participating in Peace Day by sending an email to CBTPC at [info@buildthepeace.org](mailto:info@buildthepeace.org), indicating your school's Peace Day activities. The Committee will be reporting the results back to me. Please see the enclosed letter from the Committee.

Enclosed in the packet you will find a Build the Peace poster listing all the activities planned for Peace Day. Please display this poster in a prominent position outside of your main office.

Thank you for joining me in commemorating the 32<sup>nd</sup> Anniversary of Peace Day in Chicago.

Sincerely,

Ron Huberman
